*Honorary Architects:*  
Messrs. Gregson Batley & King, Chartered Architects

## DADAR SCHOOL FOR THE BLIND

### Report for the year 1st April 1968 to 31st March 1969

It is with great pleasure we present our report for the year 1st April 1968 to 31st March 1969.

The period under report has been very eventful. The school has shown considerable progress in several projects undertaken by it.

*Laudable Event:* The most laudable event of the period under review is the 100% result of our students at the S.S.C. Examination. This year under integrated system of education we have started at G.E.I. Girls' High School popularly known as Chhabildas Girls High School, five students were sent for S.S.C. Examination. All of them were declared successful. Thanks to Smt. Tarabai Kher, Principal of G.E.I. Girls' High School and the devoted staff of her school and also the tutors from our school.

*Felicitation to S.S.C. students:* We arranged a function on 2nd July 1968 to felicitate all the five students who passed the S.S.C. Examination. Shri Sohrab Khan, Sheriff of Bombay, who is deeply interested in the cause of the blind, presided over the function and Smt. Khan gave away the prizes. Shri Khan gave a cash prize of Rs. 20.- to each of the students passing S.S.C. Examination. He congratulated the students on their success and wished them all a prosperous future. Shri Sohrab Khan, in appreciation of the work done by the school, gave a donation of Rs. 500.- to the school. A number of people present at the function gave cash prizes to these students passing S.S.C. Examination, with the result each one of them received nearly Rs. 80.- by way of cash prizes. Smt. Kher, Principal of G.E.I. Girls' High School, was complimented for her keen interest in the education of these visually handicapped girls and she was honoured with a bouquet of flowers in appreciation of her interest.

At this function Lion Surendra Bhagwat of Lions Club of Shivaji Park announced that he would like to adopt one blind student and pay Rs. 25.- per month towards her expenses. He accordingly adopted Kum. Shanti Kisan studying in Std. VII. We want many more philanthropic persons like Lion Bhagwat to come forward to adopt our students.

*Setting up of Administrative Committee:* Our Management The Blind Relief Association this time set up Administrative Committees for their activities in Bombay. The School Administrative Committee of following persons was appointed:—

Smt. S. R. Potnis	—	Chairman
Shri J. M. Baphana	—	Hon. Treasurer
Smt. Jyoti V. Shah	—	Hon. Secretary
Shri Anil R. Mavani	—	Hon. Secretary
Shri Ravi Bhandare	— {	Members
Shri Mahendra Parikh	— }	
Kum. Nama Ajgaonkar	—	ex-officio member.

*Charity Bharat Natyam Recital by Smt. Kamala:* Our expenses per child amount to approximately Rs. 120.- per month. We get a grant from Government of Maharashtra at the rate of Rs. 30.- per month per child. Every year we have a new project for which we have to raise funds in addition to our usual expenses. In order to raise funds for our activities we appointed "Committee of Friends of Blind Children" of following persons:—

Shri Kamalnayan Bajaj	—	President
Smt. C. P. Srivastava	—	Chairman
Shri J. M. Barot	—	
Smt. Susheela D. Lakhanpal	—	
Smt. Saleema Rehman	—	Vice Chairman
Smt. S. N. Ardeshir	—	
Shri S. V. Dayal	—	Hon. Treasurer
Smt. P. M. Wagle	—	
Kum. Nama Ajgaonkar	—	Hon. Organising Secretary.

#### **Members :**

Smt. P. L. Chiar	Dr. (Smt). Arnie Buhariwalla
Smt. K. M. Philip	Smt. Hansa Mehta
Smt. Susheela Tandon	Smt. Mrudula Mashruwalla
Smt. C. S. Mistry	Shri R. V. Murthy
Smt. J. C. Anand	Shri J. G. Saggi
Smt. R. N. Chadha	Shri M. Madhavan
Smt. Padma V. Shah	Shri Soli Pavri
Smt. Leela Shah	Shri Rosi Gandhi
Smt. Sulochana Marfatia	Shri Kantilal Vora
Smt. Kusum G. Shah	Shri Sevantilal Mehta
Smt. Guvanti Melita	Dr. Madhavdas Thackersey
Smt. S. A. Batliwalla.	

Smt. Jyoti V. Shah      } ex-officio members.  
                                  Shri Anil R. Mavani      }

A sub-committee to look after the publicity work and the printing of souvenir was appointed comprising of some eminent journalists of Bombay.

#### **Publicity Committee :**

Shri V. K. Narsimhan, Editor, Indian Express	—	Chairman.
Shri M. V. Kamath, Asstt. Editor, Times of India	—	Hon. Secretary.
Shri C. P. Rao, News Editor, Free Press Journal.	—	
Shri K. V. Bhat, Chief Sub-Editor, Indian Express.	—	
Shri Batuk Desai, Reporter, Bombay Samachar.	—	members.

The School needed a well equipped gymnasium to help blind students overcome the dislike for physiological strain and also to enable them to visualise heights, distances, gradients, etc. It was decided to incorporate in charity drive this project.

We propose to name the gymnasium after the late Prime Minister Lalbahadur Shastri, who was a believer in physical exercise for everyone.

The Committee organised Bharat Natyam recital of the famous Bharat Natyam exponent Smt. Kamala and her sisters Radha and Vasanthi on 4th October 1968 at Shanmukhanand Hall and also brought out a souvenir on the occasion. Attractive prizes received as gifts from well-wishers were given away to winners of lucky number holders among the souvenir purchasers.

We are very proud to place on record that the Committee collected Rs. 1,12,000 through the advertisements, sale of tickets and donations. His Excellency Dr. Ravindra Kulkarni, Mayor of Bombay, presided over the function and well-known cinema actor David compered the show. Among the elite who patronised the show were the members of the City's diplomatic corps. Smt. Kamala and her sisters Radha and Vasanthi gave most equisite and enjoyable performance.

Wagle Process Studio & Press Private Limited and their staff helped us to print an excellent souvenir with expedition at a concession. Shri R. M. D. Chamarbaugwalla of R.M.D.C. Press donated paper for this souvenir.

The Management, staff and the students are deeply grateful to the Committee for their handsome collection and also to all the advertisers, donors and to the patrons for patronising our benefit show.

*Rupee Collection Drive:* To involve as many citizens of this great metropolis as possible in the cause of visually handicapped girls, we launched "Rupee Collection Drive" at the offices of the Bombay Municipal Corporation, Sachivalaya, Western and Central Railways, Lokmania Tilak Memorial Hospital and K.E.M. Hospital, and at the following schools:—

St. Mary's High School  
Scottish Orphanage High School  
Robert Money High School  
Seth Anandilal Podar High School  
Bharda New High School  
Christ Church High School  
Don Bosco High School  
Bai Bhikhaijee S. Bengalee Girls High School  
Hill Grange High School  
Dunnes Institute  
Duruelo Convent School  
Cumballa Hill High School  
New Activity High School

Fellowship School  
 Imperial High School  
 Wilson High School  
 St. Agnes High School  
 Sardar High School  
 Campion School.

We are very happy to mention that we have in all been able to raise Rs. 24,677 with this Drive.

Thanks to the citizens of this great city and the Principals, the students and their parents of the above mentioned schools for the keen interest they have shown in this Drive.

*Education:* The school as usual continues to give its students all the amenities, tuition, lodging, boarding, medical-aid, free of charge. As on 31st March 1969 we had 68 pupils on roll. The class-wise and religion-wise distribution of pupils is as under:—

#### Class-wise distribution of students :

		<i>Boys</i>	<i>Girls</i>
Montessorie		2	2
Braille		2	8
Std. I		—	6
„ II		—	4
„ III		—	4
„ IV		—	4
„ V		—	8
„ VI		—	4
„ VII		—	5
Integrated	„ VIII	—	6
Marathi	„ IX	—	2
medium	„ X	—	4
	„ XI	—	4
English	„ IV	—	1
medium	„ VI	—	2
		Total	4 plus
		55	64 = 68

#### Religion-wise distribution :

Hindus	55
Christians	5
Muslims	2
Buddhist	6
	TOTAL 68

The School consists of three Sections:—

1. Pre-Primary
2. Lower Primary and
3. Upper Primary.

1. *Pre-Primary Section:* This Section comprises Montessorie and Braille Classes. This is the only School in Maharashtra which provides education through Montessorie methods to blind children below the age of six. We have a trained Montessorie teacher. This Class is well equipped with requisite apparatus for sensory training. Play activity in this Class gives:

- i. Power of self expression
- ii. intensity, and
- iii. enjoyment, to the children.

We have therefore equipped this Class with a number of toys and play apparatus both indoor and outdoor. The financial assistance from the Central Social Welfare Board has helped us to equip this Class.

Since there is no compulsory primary education in our State for blind children, we get children who are well above Montessorie and Primary School-going age but have had no education whatsoever. Braille compared with print being rather difficult and boring medium, children take long to learn this medium.

Therefore the special Braille Class was started for such children to help them to know and get used to school atmosphere. This calls for their better adjustment to class-room and school setting.

2. *Lower Primary Section:* This Section is directly under the Supervision of the Education Department of the Bombay Municipal Corporation as we are recognised under their Municipal Aided Schools Programme. The School is a place where one prepares the child for a life. Naturally we lay emphasis not merely on academic subjects but also on eating habits, personal grooming, physical, mental and spiritual development.

3. *Upper Primary Section:* More emphasis on academic subjects is laid from Std. V onwards as our pupils are coached for the P.S.C. Examination, conducted by the Education Department of the Government of Maharashtra. We are very proud to place on record that all the six candidates who appeared for the P.S.C. Examination during the year under report have been declared successful, each scoring well above 56 per cent.

*Integrated System of Education:* As reported earlier, this system of educating the sightless with the sighted has proved a real success. Since the ultimate aim of our education is to integrate the sightless with the sighted society at the earliest possible opportunity, we have continued this system at G.E.I.'s Girls

High School. As already reported we sent five girls for S.S.C. Examination, and all the five have been declared successful. In addition, following students:—

4 in Std. XI
4 „ „ X
2 „ „ IX
6 „ „ VIII

have been studying at this school, who have been declared successful in their respective examinations.

We have at present three students studying at St. Durello School, Bandra. They have been showing good progress in their studies.

*Handwork:* Handwork provides a media to blind children to express their creative ideas into aesthetic form. We have therefore started teaching painting to our blind students. In addition we teach them plasticine and papier mache work. They make lovely models from plasticine and papier mache. This enables them to appreciate form and proportion. Students are also taught beadwork, knitting, crocheting, plastic-bag-making, etc. Learning of crafts enables blind students to develop both tactile sense and manipulative skill.

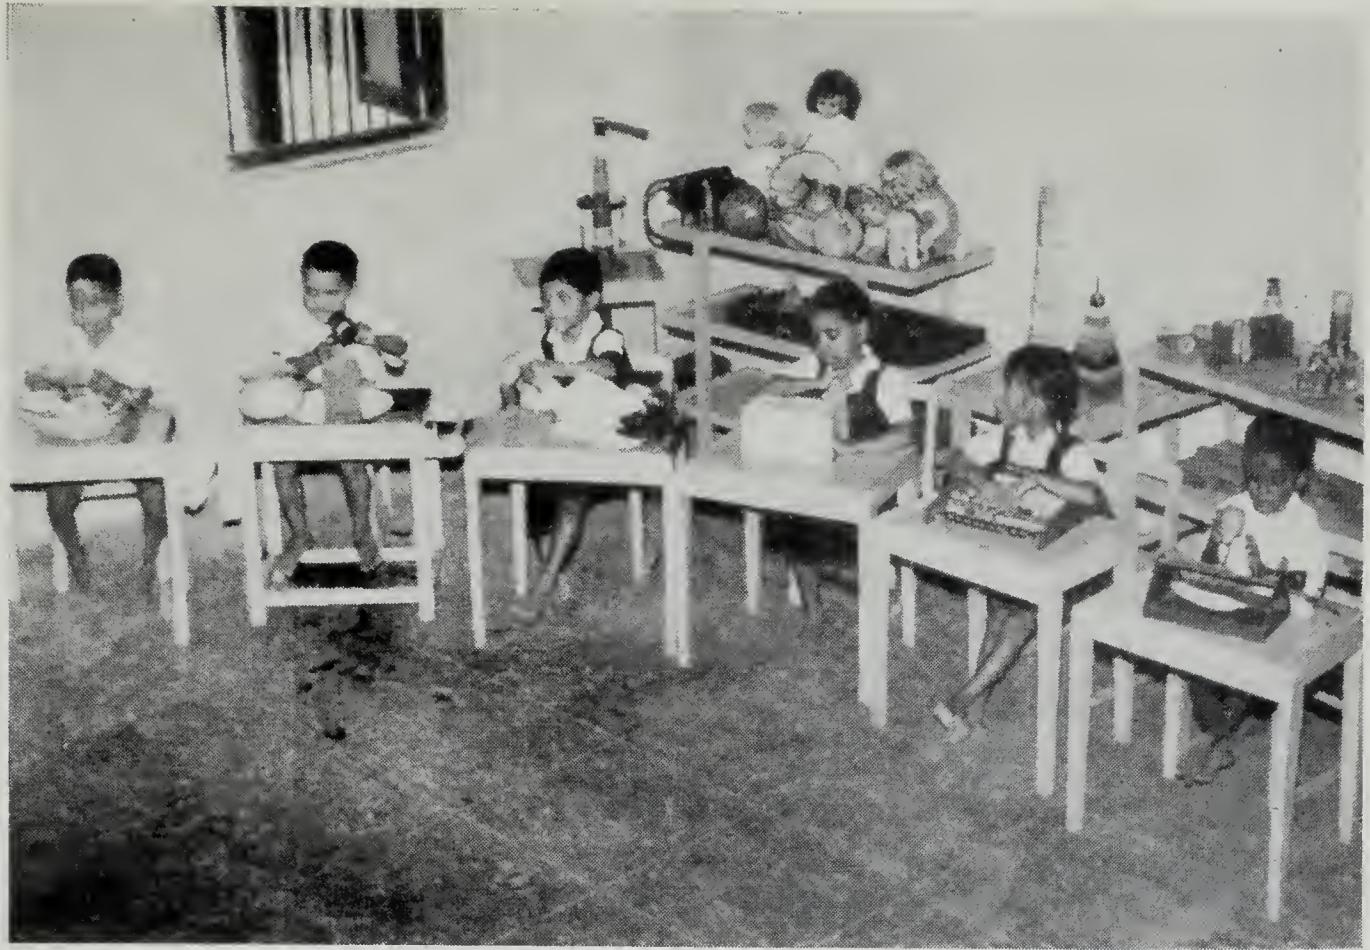

The Bombay Society for the Prevention of Cruelty to the Animals organised a Competition in modelling in Group Handicraft Project. The theme of the Competition was "Kindness to Animals". Our School won I Prize Higher Primary Group.

*Physical Education:* Physical Education is especially essential to blind children to enhance mobility and free movements. The normal natural movements of a blind child are performe restricted and several muscles of its body do not get adequate, if any, scope and intensity of exercise unlike the sighted child. We therefore have a qualified physical training instructor who teaches the students drill, dumbels, lesims, etc. and also various games. This is done with a view to promote confidence in one-self and healthy attitude towards life. As already reported, to provide stimulus for physical activity a well equipped gymnasium is being constructed.

*Music:* The School orchestra continues to give performances at the Municipal recreational centres and at private functions and they are well appreciated by the public.

We coach our girls for music examinations conducted by Gandharva Mahavidyalaya. This year we have sent five students and all of them have been declared successful.

The India Cultural League organises open competitions in vocal and instrumental music. Our school orchestra has won the third Prize in this Competition.

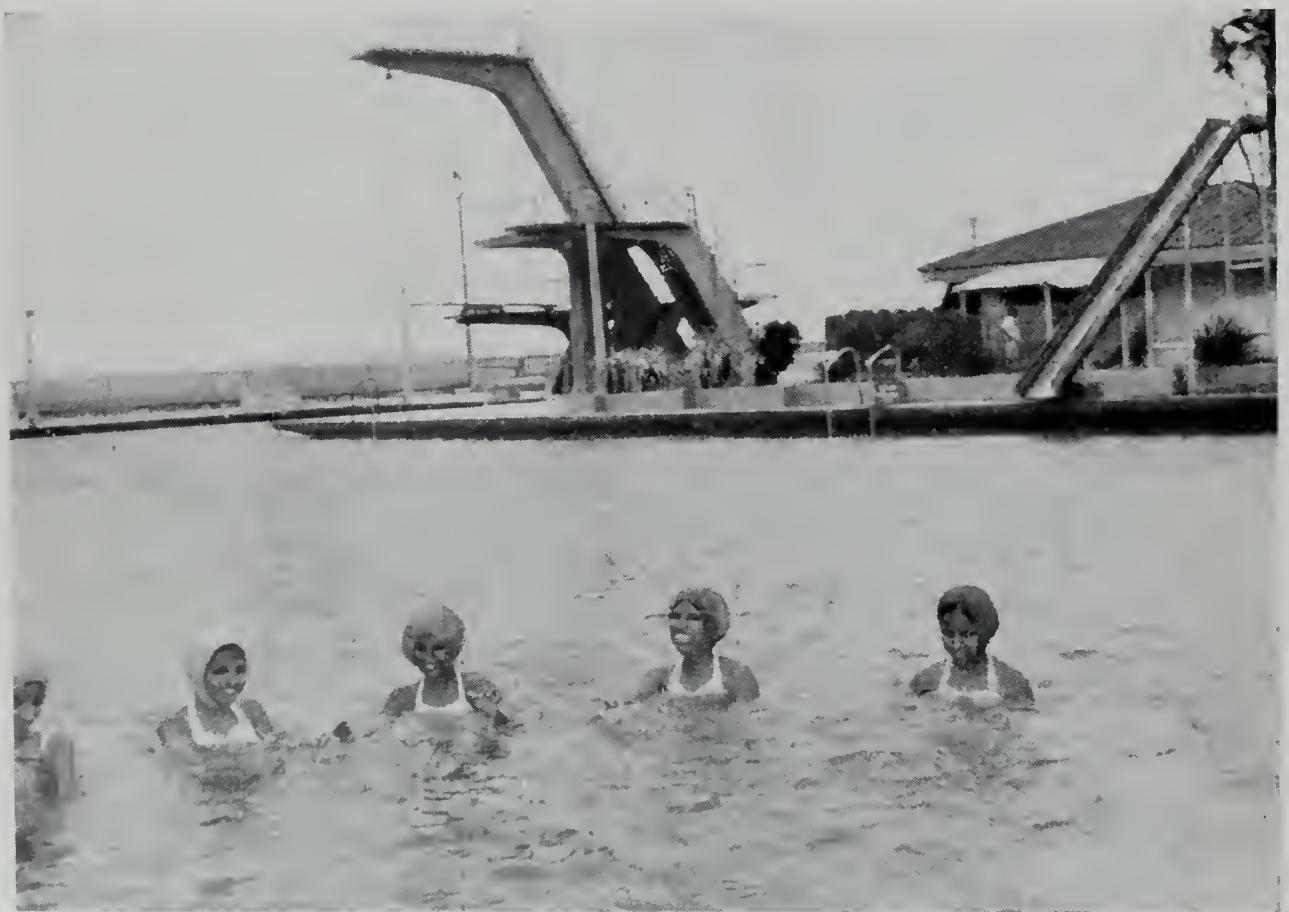

*Learning with teaching aids at the Montessorie Class.*

*Our Orchestra Party.*

*Enjoying colours in the Painting Class.*

*Swimming.*

*Junior Red Cross:* Our Junior Red Cross have been doing very well. The scrap books made by them showing "Wealth from the Waste" were very much appreciated. They did gardening this time and looked after a small vegetable plot. They planted two papaya trees. The Red Cross members supervise the cleanliness work in the dormitories.

Junior Red Cross Wing of Indian Red Cross Society organises variety entertainment programme. Our students participated in the Folk Dancing and won Sir Phiroze Sethna Cup. They entertained Junior Red Cross of other schools. Our Junior Red Cross collected funds on Red Cross Flag Day.

*Girl Guides:* The Girl Guide Unit was started in our School in 1964. 12 girls between the ages of 12 and 18 years participate in this activity. The meetings of the Guides are held once a week. Our girls participate enthusiastically in the various activities such as camping group games, cleanliness drive, etc. organised by this Unit.

*Book Fair:* Education Department of the Bombay Municipal Corporation, organised Book Fair in which we participated. Braille Books exhibited by us considerably aroused curiosity to the visitors.

*Social Education:* Since our ultimate aim of educating the blind children is to make them contributive members of the society, it is essential that they are given social training in addition to academic education. Residential school for the blind like ours has to impart this training with greater intensity since all the children at a very young age join as boarders in our school.

We have a system of common lunch of teachers and children. This lunch system helps a great deal in social training in the sense that while chatting informally with the children during lunch, it enables teachers to teach to the children good eating habits and to stress the necessity of polite conversation.

*Mental Health Unit:* To develop the overall personality of the children and to enable them to fair well in their studies, we give our students all possible assistance. The students, due to emotional problems or wrong attitudes, are not in a position to give their best in their studies or extra-curricular activities. To help these students "Mental Health Unit" was established by us in 1964. Dr. B. P. Shah, Hon. Psychiatrist, gives his valued services. He is assisted by a trained Social Case worker. Besides, Nirmala Niketan the famous School of Social Work in Bombay places at our school every year two trainees from their school to do their field work in case-work and group-work. The Unit acts as a vital link between the children, staff and management.

*Domestic Science:* Blind girls, like seeing, need the training in undertaking normal household chores. They learn at our domestic science unit to use kerosene stoves, kitchen knife, grating and grinding instruments effectively. We teach them cooking, preserving food and tiding up.

To encourage students to take interests in household chores, we hold various competitions such as cutting vegetables, onions, cleaning lentils, etc. Students take very keen interest in these competitions.

*Museum:* Lack of sight deprives blind children of the major means of getting to know the environment. This can be achieved by either bringing them into contact with real objects or by providing substitutes. Since it is not always possible to get real objects, the museum provides them an opportunity to overcome this drawback. Models of articles of daily use, machinery transport and communication means, replicas of famous objects, taxidermal birds and animals in our museum, make the visual world come to them as real as possible.

*Science Laboratory:* In an age of Science, even the visually handicapped cannot afford to lag behind. We therefore established a Science Laboratory to enable our Upper Primary and High School students perform experiments in General Science. The experiments are supervised by a sighted Science teacher.

*Library:* Braille as a medium is very complex and difficult to learn. To encourage effective reading in Braille among the children, we have set up a well-equipped library. Selective books of interest and knowledge are transcribed into Braille. The Braille books prove to be very expensive. We need a great deal of financial assistance to equip this library to its desired standard.

*Sahakar:* In order to teach practical arithmetic to the students, we set up a shop "Sahakar" where articles of use to the students and eatables are sold. This shop gives children experience in handling money, weighing and measuring length and capacity. The students by turn with the help of one teacher run the shop during the recess.

*Dhwanikunj:* To give an opportunity to the students to develop their imagination and self expression, we have started a taped weekly called "Dhwanikunj". The students by turn become the board of editors and reporters. A teacher-in-charge helps them to tape the material which is relayed to all the students and the staff once every week. This enables the children to make effective use of Braille reading and writing and take interest in day to day happenings.

### **Extra-Curricular Activities :**

*Elocution Competition:* Vakritvotek Sabha conducted Elocution Competitions in Marathi and Hindi, in which many schools participated. We had for the first time sent 12 students to participate in the competitions and four of them won prizes.

*Human Rights Day:* The students presented a 20 minutes programme on All India Radio on the occasion of "Human Rights Day." It consisted of Dialogue by the students, talk by one of the students on "Hellen Keller", interview of our student who stood highest among the students who passed S.S.C. Examination from our School. The programme was very much appreciated by the listeners.

The Bombay Society for Prevention of Cruelty to the Animals organised an Open Competition in Story-writing. Kum. Yasoda Gavli won I Prize in this Competition.

*Gandhi Birth Centenary:* On 2nd October 1968 we celebrated Gandhi Jayanti with great gusto. The function was presided over by Dr. Hemant Karnik, Principal, Maharshi Dayanand College of Arts & Science, and Smt. Usha Karnik gave a donation of Rs. 500.- We had brought out a special number on Gandhiji's life. This Annual Number consisted of articles, poems on Gandhiji's life and his preachings.

With the help of the Lions Club of East Bombay we had organised lectures of eminent persons who were closely connected with Gandhiji. The lectures were very stimulating and the students' participation in the discussions was very encouraging. Those who lectured included Shri P. V. Gadgil, eminent journalist, Smt. Mrunalini Desai, famous writer and Smt. Diwan, associates of the Mahatma in Sevagram, Wardha.

As usual all the festival of National importance were celebrated and children were fully acquainted of their significance.

The Founder's Day was celebrated with great enthusiasm. Children staged beautiful variety entertainment programme without the assistance of the teacher. Glowing tributes were paid to Miss Anna Millard, Founder of the School.

Tilak Punyatithi, Independence Day and Republic Day were celebrated with great vigour.

*Surat Floods:* Our students were very sad to learn about the loss that Gujarat State had to face because of floods at Surat. They saved from their very meagre pocket money and the teachers also contributed their mite. We were able to collect Rs. 101.- towards the Flood Relief Fund.

Students of Robert Money High School, Bombay, staged a variety entertainment programme to raise funds for floods affected people of Gujarat. Our students also participated in this entertainment programme.

*Braille Reading Competition:* The Blind Men's Association conducts Maharashtra/Gujarat Braille Reading Competitions every year. Since 1963 we have been winning late Nilkanthrai Chhatrapati Shield continually. We are very sorry to report that we could not compete for the Shield this year as number of our participants were bedridden with mumps, chicken-pox. However, from among those who competed in their individual capacity, 4 won prizes.

*Summer Camp at Karla:* We have about 10 orphan children at the school. We plan several programmes for them to make them happy during summer vacation. This year we organised 10 days Summer Camp for them at Kurla to provide them outing. Shri Sohrab Khan, Sheriff of Bombay, bore all the expenses of the

Camp and also made arrangements for the comfortable journey to and fro Karla by Central Railway. The students stayed at the Holiday Home at Karla and had a very enjoyable time including a dip every day in the river Indrayani. Thanks to Shri Sorab Khan who made it possible for us to give these children wonderful time at Karla.

*Help from Lions:* The Lions Club of East Bombay started a novel project this year of giving useful articles to the School. On 5th November they organised a function which was largely attended by all the Lions and Lionaids. Lion Kisubhai was the Chief Guest. On this occasion the Lions Club donated loud speaker equipment, one set of uniforms and three musical instruments and one ceiling fan. As usual the Lions of this Club celebrated the birthdays of our students and each student was given a gift on his or her birthdays.

*Prize Distribution:* The 12th Prize Distribution was held on 6th March 1969. Seth Lalchand Hirachand famous industrialist was the Chief Guest and Smt. Lalitabai Lalchand gave away the prizes.

A pantomime entitled "Religious and Cultural Unity of India" was staged on the occasion which was immensely appreciated by the invitees.

*World Day for the Disabled:* We participated in the Maharashtra-Gujrath Sports organised by the World Day for the Disabled Committee. We won several prizes.

As part of the Celebrations of the World Day, a symposium on "Disabled — whose responsibility" was conducted by All India Radio. Eminent workers in the field of physically handicapped representing blind, deaf, orthopaedically and mentally handicapped participated in this symposium which was moderated by our Lady Superintendent Kum. Nama Ajgaonkar. Kum. Yamuna Malavde one of our teachers, who is herself blind, gave a talk in Marathi on All India Radio on celebrations of "World Day for the Disabled".

*Admissions:* Admissions are made without any distinction of caste, colour and creed. Rules of Admission are given in Appendix "A".

*Staff:* Members of our happy family, in addition to students, consists of Lady Superintendent, Assistant Superintendent, teaching and non-teaching staff.

The Lady Superintendent is assisted by an Asstt. Superintendent, Accountant and a typist on the administrative side, and by a Matron and a Housemother on boarding side. All these members, our teachers and the domestic staff strive hard to achieve continued progress.

*Food Fund Scheme:* In any free boarding school the bulk of the expenditure is incurred on the boarding side particularly due to the fact that the prices of food provisions have soared considerably. In order to make some permanent arrange-

ments for giving one square meal to the children, a Food fund Scheme was drawn up.

The object of this Fund is to form a Permanent Fund wherein the donations will be kept in long term Fixed Deposit or such other securities which will give a higher rate of interest. The interest thus accrued will be utilised every year for serving a meal to the inmates on the day desired by the donor to commemorate any special occasion.

- (i) A donation of Rs. 1000/- will enable us to give an ordinary meal to the children every year from the interest accruing therefrom;
- (ii) A donation of Rs. 2,000/- will help us in giving a special meal with a sweet dish to the children every year from the interest accruing therefrom.

The Scheme was launched in the year 1962-63 at the hands of Smt. Tai Kannamwar. As on 31st March 1969 we have been able to get 27 donors. We trust that the philanthropic members of society will help us with their active financial assistance to make this scheme a success.

*Health Services:* A good deal of care is taken to maintain sound health of the children. The school has a Physician, Dr. Adil Batliwala, and an Ophthalmologist Dr. V. K. Chitnis, who render honorary services to the School. These Doctors are assisted by our Matron who is a trained nurse.

Since the year 1968 we have introduced the system of screening at the Organised Home Treatment Clinic, Sewree, for every new admission. Also, once a year all the students, including members of the staff of our school, are screened by the Clinic.

*Foster Parent:* In the Dadar School for the Blind we have a few orphan children. For them the School is the only place to which they belong. In order to create in them a sense of security and belonging and to promote the adjustment in the school setting, Foster Care Programme was initiated in the year 1965.

A woman above 21 years of age and selected by the Superintendent on recommendation of the social worker, is introduced to the child as foster parent. She then establishes relationship with the foster-child through fortnightly visits, outings, etc.

This scheme has proved successful as the child derives a lot of satisfaction and security from such association with the Foster-parent.

*Recreation:* The Recreation Club started by the Lions Club of East Bombay continues to give entertainment programme to the children. Once a year they take our children on a picnic.

Members of Social Service League of St. Xavier's College continue to take our children for outing on every Saturday. They also take the children on excursion every year.

Members of Social Service League of Ruia College visit the school on every Monday and Tuesday to entertain our students.

We have a Radio in every dormitory for the benefit of the children. Our playground is also equipped with outdoor playing apparatus.

*Dancing:* Dancing is the rhythmic movement prompted by feelings and emotions. We felt that blind child's experience of movement will not be complete without some form of dance. We therefore started a Dancing Class both for teaching classical kathak dance and folk dancing. We have a trained teacher to teach dancing to our students.

*Swimming:* Swimming is one of the best activities for blind children. It enables the use of all the muscles of the body and at the same time helps relaxation of certain muscles. Blind children like any other children love to be in the water. We therefore introduced swimming in our school. We take our students once a week to Mahatma Gandhi Swimming Pool.

*Visitors:* During the year under report we had a number of visitors. Impressions of these visitors are incorporated in Appendix "C".

*Thanks:* The following grants were received during the year 1968-69, for which our grateful thanks are due to:—

	Rs.
Central Government, for Building	20,000
Central Social Welfare Board	3,762
Government of Maharashtra for Maintenance	19,459
Govt. of Maharashtra special grant for Higher studies	2,700
Municipal Corporation	10,880
National Association for the Blind	13,000

We are deeply grateful to the donors who have donated both in cash and kind, without whose help it would have been difficult for the Management to run the School with the present standard.

List of Donors is given in Appendix "B" for the year 1968-69. Special mention however is made to the following:—

Committee on Relief & Gift Supplies, National Christian Council — Milk Powder, Soyabin Oil, Bulgur Wheat, Rolled Wheat, etc.

Geoffrey Manners & Co. Ltd. — Two boxes of 6 doz. each Forhans Toothpaste and 250 Anacin packets.

Bombay Women's Work Guild — Material for garments.

Buddha Jayanti Charities Society — Fruits.

Tata Oil Mills Coy. Ltd. — Nahan Soap.

Hindustan Lever Limited, Soaps Division — Sun Light and Lifebuoy soaps.

M/s. Rallis India Limited, Pharmaceutical Division — T.C.F. medicines.

Glaxo Laboratories (India) Pte. Ltd. Medicine.

Khatau Makanji Mills — 101 sweet packets.

Members of Round Table, Juhu — Assorted sweets.

Sambhu Dayal Charitable Milk Trust — 75 litres of Milk.

Lions Club of North Bombay — Bhagwat Gita Part 1 to IV.

New Activity High School — Wafer, Biscuit & Sweet.

Cathedral & John Canon School — Note Books, Used Clothes.

Smt. N. C. Srivastava — a model of ship "Vishva Vibhuti" and a Japanese doll.

## **APPENDIX "A"**

### **RULES FOR ADMISSION OF PUPILS**

The School admits blind girls between 4 and 12 years of age which may be relaxed in special cases at the discretion of the Management.

Admission will be made without distinction of caste, creed or religion.

Every child will be required to undergo a medical examination and submit a medical certificate granted by the Physician attached to the School prior to admission stating that the child is free from any contagious disease and is physically and mentally fit. A Certificate from the Ophthalmologist attached to the School in respect of the child's blindness is also required.

Pupils are admitted from 15th June to 31st July every year.

All students are admitted free of charge.

Parents of the pupils are required to take their children home during long vacation.

## **APPENDIX "C"**

### **IMPRESSIONS OF VISITORS — 1968-69.**

This has been my second visit and as before, I have been most favourably impressed. You are all doing an excellent job and I gained several new ideas to take home with me — Continued success in the important work you are carrying on.

sd.— William T. Heisler,  
Perkins School for the Blind,  
U.S.A.

13th April 1968

—:o:—

Going through the classes of this institution, one is obliged constantly to think of the spirit of dedication of those in charge. Had I not seen it myself, I would never have believed that so much good work for the blind was being done in this country. It is not for me to appreciate the excellent work; that is for those who are the beneficiaries to feel and express. All I can do is to pray the Almighty to give all the elbow strength to the people in charge, in particular to the ever enthusiastic Principal, Miss Ajgaonkar, to carry on this good work.

sd.— R. V. Murthy, Chairman  
Press Guild of India,  
Majestic Hotel, Bombay 1.

30th July 1968

—:o:—

I am very impressed by the programme and atmosphere of the school. This is a happy place and I wish you every success.

sd.— Edgar J. Schiller,  
Executive Director,  
Niagara Frontier Vocational  
Rehabilitation Centre,  
100 Leray Ave.  
Buffalo, New York 14214, U.S.A.

2nd August 1968

—:o:—

I like the wide range of the work and the effective integration of the older pupils into ordinary schools. May the enthusiasm for this work spread until the blind children of India are all as well cared for as here.

sd.— (Dr.) J. D. Kesslan,  
Health Officer, Colchester, England  
(W.H.O. Consultant)

21st December 1968

They run a successful school for the blind girls. They teach them, they train them and they prepare them for the work and activities of outside the school.

If blind children are given appropriate opportunity, they will be useful contributor citizens.

sd.— A. Minai,  
Executive Director,  
Reza Pahlavi School for the Blind,  
P.O. Box 2867  
Teheran, Iran.

13th March 1969

12TH ANNUAL PRIZE DISTRIBUTION

*Our Chief Guest Seth Lalchand Hirachand addressing the students and the audience.*

*Smt. Lalitabai Lalchand giving away the prizes.*

One of the scenes from the pantomime "Religious and Cultural Unity of India" presented by the students of the Dadar School for the Blind.

## APPEAL:

Dadar School for the Blind, established in 1900, is the only School in Greater Bombay for Blind Girls upto the age of 18 and blind boys between the ages of 5 and 8. This is a residential school giving free education, free boarding and lodging to the visually handicapped children. The School imparts Montessori, pre-Primary and Primary education. For 'Secondary' education the pupils are sent to G. E. Institute's Girls High School, Dadar, (popularly known as the Chhabildas Girls High School), where they are coached for S.S.C. Examination.

It is a secular institution its aim being to rehabilitate the visually handicapped and to help them become contributive members of society. The School therefore helps in securing gainful employment in open industries to pupils passing S.S.C. Examination.

All these projects mean a heavy expenditure. Though we receive maintenance grant from the Government of Maharashtra and token grant from Corporation, they are not adequate enough to meet our entire expenditure. The Central Social Welfare Board and the Government of India also give us grants for special projects provided we make matching contribution for these projects. We have therefore to depend largely on the financial assistance from the generous public to make up the balance.

The institution like ours giving multifarious services to the blind children, should have a huge capital fund to be able to meet the deficit and to overcome the constant worry of raising funds. A Permanent Endowment Fund of Rs. 5,00,000 is absolutely essential for maintaining and bettering the services rendered by the school to the sightless children. We have so far been able to raise Rs. 96,650 towards this Fund.

We therefore appeal to the philanthropic people to contribute generously towards this Fund to enable us to give better services so being essential for the welfare of our visually handicapped children.

All donations to this School are exempt from income-tax under Sections 88 and 100 of the Indian Tax Act, 1961.

Smt. Jyoti V. Shah

Shri Anil Mavani

*Hon. Secretaries*
